

# HÉRISSON MALIN chardonnay - reuse

To further our ecological transition, we have packaged this wine in a reusable bottle. Once empty, the bottle is collected from the shops, then washed before being reused. This circular economy respects all hygiene standards and guarantees the sanitary quality.

## ORIGINS & TERROIRS

Chardonnay

Appellation: Vin de France

Label: organic wine - certified by Ecocert

Vines are located between Béziers and Nîmes. This extended area offers a wide diversity of soils (clay-limestone soils, stony terraces, pebbles).

## VINIFICATION & AGEING

Harvested at night to avoid any oxidation of the grapes and to keep a maximum of freshness. Soft pressing in an inert pneumatic press. Cold static settling. Fermentation at low temperature (15-16°C). Aged on fine lees.

Fining: vegetable pea proteins and bentonite.

Filtration: Tangential filtration.

## TASTING NOTES

FRESH & GOURMET
