

HÉRISSON MALIN chardonnay bulles 0°

• de-alcoholized wine •

ORIGINS & TERROIRS

Chardonnay

Appellation: Vin de France

Label: Aerated de-alcoholized sparkling wine - Certified by Ecocert

Yield: 70hl/ha

Vines are located between Béziers and Nîmes. This extended area gives a wide diversity of soils (clay-limestone, stony terraces, rolled pebbles).

WINEMAKING & AGING

Once vinified and blended, our Chardonnay is dealcoholized by a vacuum evaporation process. This unique technique consists of evaporating all the alcohol contained in the wine by heating it at a low temperature (30°C), and by increasing the pressure. It allows wine aromas and flavors to be preserved as much as possible because it doesn't require high temperature.
